Our Firm =====

Based in Columbus, Ohio, Oxer Capital partners with private equity firms, independent sponsors, family offices, and management teams to provide junior capital to lower middle market companies throughout the United States. Since 2016, Oxer has invested over \$700 million across 108 portfolio companies. We are currently investing out of our fourth fund, totaling ~\$265 million.

Our Strategy =====

Oxer seeks to provide flexible, tailored solutions aligned with client needs which may consist of subordinated debt, structured equity, and minority equity stakes. Our typical investment size ranges from \$2 – 12 million, although we may lead or participate in larger investments by co-investing with our limited partners or other junior capital providers.

Our Values =====

Our investment professionals strive to be diligent, thoughtful, and responsive in evaluating new opportunities. Our collaborative and nimble approach provides speed to close and certainty of execution. We work to cultivate trust and nurture long-term relationships with our investors and investment partners.

Our Team =====

With over 110 years of collective experience investing in and advising lower middle market companies, we understand the needs and concerns of owners and managers. Our networks and experience are shared to benefit our clients and partners.
